Sir,

The District and Sessions Judge of Shimoga represents that since the transfer of the Kadur District to his jurisdiction consequent on the abolition of the Hassan District Court, the work in his Court has considerably increased and that the exist-ing establishment is unable to cope with it. He states that in November 1900, when the establishments of the District Courts were revised consequent on the creation of the Hassan District Court, the appointment of Assistant Nazir was abolished and the duties pertaining to that office devolved on other officials. The duties of Assistant Nazir are very important as he has to attend to cash transactions and keep accounts and registers relating thereto. The Judge says that they cannot be entrusted to other officials who are already overburdened with other work and they cannot be held strictly responsible for the correctness of the transactions and accounts, and that for the satisfactory dis-charge of the work, a separate hand who can devote all his time and attention to it is needed. Mr. Justice Meiklejohn who lately inspected the court is also of opinion that the strengthening of the establishment is absolutely necessary. The District Judge suggests that the establishment may be strengthened by the addi-tion of one hand styled Assistant Nazir on Rs:35 per mensem and I am to request the sanction of Government to the same.

The extra cost Rs:420 per annum may be met from the
